

I Am A Missionary

I am being used by God to go into Honduras, Nicaragua and other Latin American Countries to preach the Gospel.

- I preach the Gospel and teach the Word of God daily.
- I Sing like Ray Boltz and Maranatha.
- Families are excited about me being in their home. I teach, preach and sing 18 hours a day where most evangelical pastors would get only a few minutes.
- Unlike other missionaries,
 - ◆ *I never get tired*
 - ◆ *I never get hungry*
 - ◆ *I never get thirsty*
 - ◆ *I never need a bathroom break*
 - ◆ *I never get sick*
 - ◆ *I never take a vacation*
 - ◆ *I do not need a passport*
 - ◆ *I speak the language perfectly*
 - ◆ *I reach those who do not have electricity and those who can not read.*
- Once I am in the field, I require no continuing support, since I do not eat, drink, sleep or vacation! I don't even need batteries!
